Attention of Harold Petterson, Town Clerk

Dear Sir:

On June 15, 1940 you issued to us an Order for Pole and Wire Locations covering one pole on Miland Avenue, Chelmsford.

Since that time we have learned that the portion of the street where this pole is located is non-accepted. Therefore, will you please strike this Order from your records (Book 64, page 8).

Very truly yours,

PETITION FOR TRANSFER OF TITLE AND INTEREST IN EXISTING JOINT POLE

Lowell, Mass., August 28, 1940

To the Board of Selectmen

of the Town of Chelmsford, Massachusetts

The Lowell Electric Light Corporation and the New England Telephone and Telegraph Company being Companies incorporated for the doing of business in the Commonwealth of Massachusetts respectfully represent that The Lowell Electric Light Corporation and New England Telephone and Telegraph Company have heretofore been granted pole and wire location upon and along

Riverneck Road - 1 Pole

and that said location is no longer required by The Lowell Electric Light Corporation its ownership and obligation in said pole having been transferred to the New England Telephone and Telegraph Company and that it is therefore desirable that said location be transferred to the New England Telephone and Telegraph Company.

WHEREFORE, your petitioners pray that in accordance with Chapter 166 of the Acts of 1925, without notice or hearing said location for said existing pole, with the right to maintain such wires, cables and fixtures as are necessary, be transferred to the New England Telephone and Telegraph Company. Said pole to be maintained substantially in accordance with the plan marked "C-4520" dated 8/28/40 and filed herewith.

PETITION FOR TRANSFER OF TITLE AND INTEREST IN EXISTING LEL POLES

Lowell, Mass., November 14, 1940

To the Board of Selectmen

of the Town of Chelmsford, Massachusetts.

THE LOWELL ELECTRIC LIGHT CORPORATION and NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY being Companies incorporated for the doing of business in the Commonwealth of Massachusetts, respectfully represent that THE LOWELL ELECTRIC LIGHT CORPORATION has heretofore been granted pole and wire locations upon and along

Smith Street - 3 Poles

as shown on plan "C-4542" dated November 13, 1940, and that said locations are no longer required by The Lowell Electric Light Corporation its ownership and obligation in said poles having been transferred to New England Telephone and Telegraph Company.

WHEREFORE your petitioners pray that in accordance with Chapter 166 of the Acts of 1925, without notice or hearing said locations for said existing poles, with the right to maintain such wires, cables, and fixtures as are necessary, be transferred to the New England Telephone and Telegraph Company. Said poles to be maintained substantially in accordance with the plan marked "C-4542" and filed herewith.

PETITION TO MAINTAIN EXISTING POLE LOCATIONS

Lowell, Mass., February 5, 1941

To the Board of Selectmen

of the Town of Chelmsford, Massachusetts.

The Lowell Electric Light Corporation represents that it has heretofore erected poles with wires and fixtures thereto attached on the unaccepted portion of a street in the municipality, which portion of the street has since been accepted.

The following are the public ways or parts of ways along which the poles above referred to are erected

Tuttle Road - 5 Poles

Wherefore, it asks that without notice or hearing, as provided in Chapter 166 of the General Laws, that it be granted locations for and permission to maintain poles and such wires, cables and fixtures as are necessary in its business, said poles to be maintained substantially in accordance with the plan filed herewith marked - The Lowell Electric Light Corporation No. "C-4571" dated February 5, 1941.

Your petitioner agrees to reserve space for one crossarm at a suitable point on each of said poles for the fire and police signal wires belonging to the municipality and used by it exclusively for municipal purposes.

ORDER FOR CONDUIT LOCATION

In Board of Selectmen of the Town of Chelmsford Massachusetts.

ORDERED:

That permission be and hereby is granted the NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY to lay and maintain underground conduits and manholes, with the wires and cables to be placed therein, under the surface of the following public way :—

Middlesex Street between Chelmsford-Lowell Line and Groton Road, 5830 feet, 11 manholes, connections to pole #1, first pole on Highland Avenue, first pole on Church Street, pole at B & M RR Crossing, pole #45, first pole on Wright Street and first pole on Cottage Row.
Tyngsboro Road from Groton Road, westerly, 1011 feet, 3 manholes, connections to poles #1170 and 1179.

Substantially as shown on plan marked—N. E. T. & T. CO., No. 305 Dated 5-13-41.

Also that permission be and hereby is granted said NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY to lay and maintain underground conduits, manholes, cables and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as it may desire for distributing purposes.

The foregoing permission is subject to the following conditions:—

1. The conduits and manholes shall be of such material and construction and all work done in such manner as to be satisfactory to the Board of Selectmen or to such officers as it may appoint to the supervision of the work, and a plan showing the location of conduits constructed shall be filed with the Town when the work is completed.

2. In every underground conduit constructed by said Company one duct not less than three inches in diameter shall be reserved and maintained free of charge for the use of the fire, police, telephone and telegraph signal wires belonging to the Town and used by it exclusively for municipal purposes.

3. Said Company shall file with the Town its agreement to indemnify and save the Town harmless against all damages, costs and expense whatsoever to which the Town may be subjected in consequence of the acts or neglect of said Company, its agents or servants, or in any manner arising from the rights and privileges granted it by the Town.

4. In addition to such agreement, said Company shall, before a public way is disturbed for the laying of its wires or conduits, execute its bond in a penal sum of Five Thousand Dollars ($5,000) (reference being had to the bond already on file with said Town) conditioned for the faithful performance of said agreement and of its duties under this permit.

5. Said Company shall comply with the requirements of existing by-laws and such as may hereafter be adopted governing the construction and maintenance of conduits and wires.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the 12 day of May 1941.

ORDER FOR CONDUIT LOCATION

In Board of Selectmen of the Town of Chelmsford Massachusetts.

ORDERED:

That permission be and hereby is granted the NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY to lay and maintain underground conduits and manholes, with the wires and cables to be placed therein, under the surface of the following public way :—

Middlesex Street between Chelmsford-Lowell Line and Groton Road, 5830 feet, 11 manholes, connections to pole #1, first pole on Highland Avenue, first pole on Church Street, pole at B & M RR Crossing, pole #45, first pole on Wright Street and first pole on Cottage Row.
Tyngsboro Road from Groton Road, westerly, 1011 feet, 3 manholes, connections to poles #1170 and 1179.

Substantially as shown on plan marked—N. E. T. & T. CO., No. 305 Dated 5-13-41

Also that permission be and hereby is granted said NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY to lay and maintain underground conduits, manholes, cables and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as it may desire for distributing purposes.

The foregoing permission is subject to the following conditions:—

1. The conduits and manholes shall be of such material and construction and all work done in such manner as to be satisfactory to the Board of Selectmen or to such officers as it may appoint to the supervision of the work, and a plan showing the location of conduits constructed shall be filed with the Town when the work is completed.

2. In every underground conduit constructed by said Company one duct not less than three inches in diameter shall be reserved and maintained free of charge for the use of the fire, police, telephone and telegraph signal wires belonging to the Town and used by it exclusively for municipal purposes.

3. Said Company shall file with the Town its agreement to indemnify and save the Town harmless against all damages, costs and expense whatsoever to which the Town may be subjected in consequence of the acts or neglect of said Company, its agents or servants, or in any manner arising from the rights and privileges granted it by the Town.

4. In addition to such agreement, said Company shall, before a public way is disturbed for the laying of its wires or conduits, execute its bond in a penal sum of Five Thousand Dollars ($5,000) (reference being had to the bond already on file with said Town) conditioned for the faithful performance of said agreement and of its duties under this permit.

5. Said Company shall comply with the requirements of existing by-laws and such as may hereafter be adopted governing the construction and maintenance of conduits and wires.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the 12th day of June 1941.
